FRANÇOIS TAKES HIS WALK

- 1 From the tourist office exit, turn right, walk down the street and turn right onto Rue de l'Ouche. At the end of the street, turn right.
- 2 You've arrived at the large port of Arçais, the crane for unloading logs is still intact.
- 3 Walk along the Garenne channel with its trellis farms and wheelbarrow crossings. After the three footbridges, continue on, then turn right and then right again. You are only 6 km from the Ornithological Park: Les Oiseaux du Marais Poitevin
- 4 Here is the rue de la Garenne with its typical market garden houses, continue straight ahead towards the church square.
- 5 Arriving at Place de l'Eglise, take the street that goes down to the left of the old post office and telegraph, the aptly named Rue des Bateliers and follow this street
- 6 Before the last bend, go straight onto Rue de la Métairie and on the right take the Chemin des Bouteilles
- 7 Follow the Chemin des Bouteilles and cross the bridge
- 8 Take the footbridge on the right, which will take you to the Taillée campsite. Continue towards the Damvix road.
- 9 Take the Damvix road on the right, which will take you back to the heart of the village.
